A reception will be held immediately following the program in the Parish Center. A contingency plan will be implemented in case of inclement weather. Mississippi Catholic Newspaper adopts new printing schedule

Beginning with its Sept. 16, 2022 edition, the Mississippi Catholic newspaper of the Diocese of Jackson will be adopting a monthly print schedule from February through November. Mississippi Católico, the Spanish-language newspaper of the diocese will continue to have its regular monthly print schedule. The change in frequency of the printed edition is part of a series of cost-cutting measures due to rising print and postage costs. The paper will continue to be printed twice per month in December and January to accommodate the need to communicate annual reports and news about Catholic Schools Week. Currently, with each print edition, a digital version of the paper is also created, as well as having each individual story published on mississippicatholic.com and emailed in an e-version of the paper. After the first print edition of the month, Mississippi Catholic will publish a digital only edition, in between print editions. It will be available via email through Flocknote and on mississippicatholic.com. To access the digital edition, text MSCATHOLIC to 84576, visit www.jacksondiocese.flocknote.com, or email editor@jacksondiocese.org to be added to the list.
